Leia o texto abaixo sobre alguém descrevendo sua cidade:

Venice is a very **romantic** city in Italy.

It has **stunning** views of the canals. It's an **ancient** and **small** city.

Each building is a work of art, and it's a **touristic** place.

London is the capital of England. It's an **ancient** city, but there are some **modern** buildings too. It's a **cosmopolitan** city, and it has **lively** nightlife. There are many **touristic** places there and a **huge** subway system, so it's **easy** to visit them. It's a very **beautiful** city but a bit **expensive**.

New York is a **cosmopolitan**, **bustling** city. It's in the USA. It's very **popular**, but it isn't the capital city. There is a very **famous** park called Central Park. There are **interesting** museums, and some of them are free.

New York is always **crowded** because it's a very **touristic** city.

Agora é a sua vez! Entre no site abaixo e use esses exemplos para escrever a descrição da sua cidade.
