If the World Was Ending

Julia Michaels, JP Saxe

I was **1.** _____
And in **2.** _____
I didn't feel it
When the **3.** _____ happened
But it really got me thinkin'
Were you out drinkin'?
Were you in the living room
Chillin' watchin' **4.** _____?
It's been a year now
Think I've figured out how
How to let you go and let
5. _____ die out

I know, you know, we know
You weren't down for forever and it's fine
I know, you know, we know
We weren't meant for each other and it's fine

But if the world was ending
You'd come over, right?
You'd come over and you'd stay the night
Would you love me for the hell of it?
All our fears would be irrelevant
If the world was ending
You'd come over, right?
The sky'd be falling and I'd hold you tight
And there wouldn't be a reason why
We would even have to say goodbye
If the world was ending
You'd come over, right?
Right?
If the world was ending
You'd come over, right?
Right?
