What are the rules for basketball?

The school organized a basketball tournament. Sofiya, Noi, Bobbie, and Robby were all on the same team. They were all happy to be together. They all hoped to win. There was just one little problem: Bobbie and Robby didn't know the rules for basketball. Sofiya volunteered to explain the rules.

Sofiya explained that basketball is played on a court that is shaped like a rectangle. She told them that they have to use their hands to move the ball. Noi told them that in basketball you can't kick the ball like in football. Robby and Bobbie learned about offense and defense. They learned that their game would last 30 minutes. They were very surprised that the net was 10 feet high.

Noi had a surprise for them. He brought along his special rainbow shoes to make him taller so they could win the game.
