Hi Sue,

Thanks for your email.

You asked me about desserts to make for your sister's birthday. How about (1) **make** / **making** tiramisu? It's my favourite and it's really tasty!

If you don't have much time, (2) **possible** / **perhaps** you could make cupcakes. They're really easy. One thing you (3) **could** / **perhaps** do is put icing on top in your sister's favourite colour. (4) **How** / **Why** not put little hearts on each cupcake? Your sister would love it!

If I were you I'd make tiramisu, but if you don't feel confident you should make cupcakes. If you do, don't (5) **remember** / **forget** to let the cupcakes cool down before you put the icing on! Good luck!

Jamie

Subject: My visit

Hi!

I'm really looking forward to visiting you and your family next July! Could you tell me what type of food I might be eating when I stay?

I would like to buy a present for your family. Also, I would like to take them out to dinner one night.

What sort of present do you think I should buy for them?

And is there a good restaurant near you where I could take them?

Great!
