

Match the BMI on the left with the correct classification on the right.

| BMI       |
|-----------|
| 30+       |
| 18.5-24.9 |
| <18.5     |
| 25-29.9   |

| BMI classification |
|--------------------|
| Overweight         |
| Obese              |
| Underweight        |
| Normal             |
