

1. A partir del resultat de la suma o la resta que se't dona, calcula el resultat de les altres.

$6 + 7 = \square$	$6 + 8 = 14$	$6 + 9 = \square$
-------------------	--------------	-------------------

$6 + 9 = \square$	$7 + 9 = 16$	$8 + 9 = \square$
-------------------	--------------	-------------------

$7 + 7 = 14$	$8 + 7 = \square$	$9 + 7 = \square$
--------------	-------------------	-------------------

$9 - 5 = \square$	$9 - 4 = 5$	$9 - 3 = \square$
-------------------	-------------	-------------------

$12 - 7 = \square$	$12 - 6 = 6$	$12 - 5 = \square$
--------------------	--------------	--------------------

$13 - 8 = \square$	$14 - 8 = 6$	$15 - 8 = \square$
--------------------	--------------	--------------------
