I'M TOM

My name is Tom and I live on a farm. My favorite food is fish and chips. We usually eat fish and chips for dinner on Fridays. I like all fruit and vegetables but I don't like tomatoes. I like cakes. My mum can make very good cakes. She is making a lemon cake at the moment!
I have breakfast at 7.30 a.m. on school days. I have my lunch at school.
I always take sandwiches and fruit in a lunch box. I have dinner with my family in the evenings. On hot, sunny days in the summer we have dinner outside in the garden.
