

SAM COOKE. WONDERFUL WORLD

Don't know much about

Don't know much

Don't know much about a book

Don't know much about the I took

But I do know that I love you... And I know that if you love me, too
What a wonderful world this would be...

Don't know much about

Don't know much

Don't know much about

Don't know what a slide rule is for

But I do know one and one is

And if this one could be with you

What a wonderful world this would be

Now, I don't claim to be an student

But I'm trying to be

For maybe by being an A student, baby

I can win your love for me

Don't know much about history

Don't know much biology

Don't know much about a science book

Don't know much about the French I took

But I do know that I love you... And I know that if you love me, too

What a wonderful world this would be... Latatatata ah

History (Mmmm)... Biology (Well a-tatatata)... Science book

(Mmmm)... French I took, yeah

But I do know that I love you... And I know that if you love me, too...

What a wonderful world this would be

geography

two

trigonometry

history

algebra

French

science

biology
