

LOVE STORY

We both young when I first saw you
I close my eyes, and the flashback starts
I'm standing there
On a balcony in summer air
See the lights, see the party, the ball gowns
See you make your way through the crowd
And say, "Hello".
Little did I know
That you were Romeo, you were throwing pebbles
And my daddy said "Stay away from Juliet"
And we were on the staircase
Singing "Please don't go, " and I
Romeo, take me somewhere we can be alone
I'll be waiting, all there's left to do is run
You'll be the prince and I'll be the princess
It's a love story baby just say "Yes".
So, I sneak out to the garden to see you
We keep quiet, 'cause we're dead if they
So close your eyes
Escape this town for a little while
'Cause you were Romeo, I was a scarlet letter
And my daddy said "Stay away from Juliet"
But you were everything to me
Please don't go and I

Romeo, take me somewhere we can be alone
I'll be waiting, all there's left to do is run
You'll be the prince and I'll be the princess
It's a love story baby just say "Yes"
Romeo, save me, they're trying to tell me how to
feel
This love is difficult, but it's real
Don't be afraid, we'll make it out of this mess
It's a love story baby just say "Yes"
Oh, oh
I was tired of waiting
Wondering if we'd ever get around
My faith in you
When I met you on the outskirts of town, and I
Romeo save me I've been feeling so alone
I keep waiting for you but you never come
Is this in my head? I don't know what to think
He knelt to the ground and pulled out a ring
And said "Marry me Juliet
You'll never have to be alone
I love you and that's all I really know
I talked to your dad, go pick out a white dress
It's a love story baby just say "Yes"
Oh, oh
Oh, oh
Because we were both young when I first saw you.
