Grand Terrace Subdivision
Casili, Consolacion, Cebu

3

ACTIVITY 1

A. Round off each number based on its highest place value.

1. 578 - _____

2. 999 - _____

3. 805 - _____

4. 1 093 - _____

5. 4 839 - _____

B. Estimate each sum. Type the rounded off values of the addends.

$$\begin{array}{r} 459 \rightarrow \boxed{} \\ + 402 \rightarrow \boxed{} \\ \hline \boxed{} \end{array}$$

$$\begin{array}{r} 7\,384 \rightarrow \boxed{} \\ + 2\,985 \rightarrow \boxed{} \\ \hline \boxed{} \end{array}$$

$$\begin{array}{r} 8\,643 \rightarrow \boxed{} \\ + 9\,234 \rightarrow \boxed{} \\ \hline \boxed{} \end{array}$$

$$\begin{array}{r} 5\,901 \rightarrow \boxed{} \\ + 8\,362 \rightarrow \boxed{} \\ \hline \boxed{} \end{array}$$

$$\begin{array}{r} 784 \rightarrow \boxed{} \\ + 278 \rightarrow \boxed{} \\ + 329 \rightarrow \boxed{} \\ \hline \boxed{} \end{array}$$

$$\begin{array}{r} 1\,851 \rightarrow \boxed{} \\ + 3\,006 \rightarrow \boxed{} \\ + 4\,532 \rightarrow \boxed{} \\ \hline \boxed{} \end{array}$$

ACTIVITY 2

Type the rounded off values of the minuends and subtrahends. Then estimate each difference.

$$\begin{array}{r} 764 \rightarrow \boxed{} \\ - 296 \rightarrow \boxed{} \\ \hline \boxed{} \end{array}$$

$$\begin{array}{r} 903 \rightarrow \boxed{} \\ - 395 \rightarrow \boxed{} \\ \hline \boxed{} \end{array}$$

$$\begin{array}{r} 1\,654 \rightarrow \boxed{} \\ - 904 \rightarrow \boxed{} \\ \hline \boxed{} \end{array}$$

$$\begin{array}{r} 3865 \rightarrow \boxed{} \\ - 2\,999 \rightarrow \boxed{} \\ \hline \boxed{} \end{array}$$

$$\begin{array}{r} 7\,509 \rightarrow \boxed{} \\ - 4\,497 \rightarrow \boxed{} \\ \hline \boxed{} \end{array}$$
