I'm really glad that you've invited me to go camping with you. I'm sure it'll be great. However, I need **12.1.** ____ information about this trip. You said that we'll go by train. How long does it take to **12.2.** ____ there? And what do I have to bring? I have a tent and a sleeping bag but **12.3.** ____ I have to bring any food? And what about the shower? I know we'll be near a lake but are there showers nearby?

By the way, my tent is very big so **12.4.** ____ your brother wants to go with us I can share the tent with him.
