My name is John, and this is my story. Last year just before Christmas my family and our cousin and uncle and aunt decided to go to Perth for holiday. We went in two cars but when we were about halfway there my uncle wanted to turn round and come back. He said it was too far, and it was terribly hot too, one day it was 48°C. Even at night it was really hot. Anyway, what we decided to do was to drive back about 160 km to a place where the train went through. Then we put both cars on the train and we all went to Perth by train. That was fun. It was a good train.

We had a good time in Perth but we had to cut our holiday short. You see, while we were there my grandmother (my mother's mother) in Melbourne died. Most of us flew back but my Dad and my uncle came on the train with the cars and then had to drive back to Melbourne from Port Pirie.

B. Read the passage and then decide whether the statements are true (T) or false (F).

I live in a house near the sea. It's an old house, about 100 years old, and it's very small. There are two bedrooms upstairs but no bathroom. The bathroom is downstairs next to the kitchen and there's a living room where there's a lovely old fireplace. There's a garden in front of the house. The garden goes down to the beach and in spring and summer there are flowers everywhere. I live with my parents, and we have a lot of visitors. My city friends often stay with me. I love my house for many reasons: the garden, the flowers in summer, the fire in winter, but the best thing is the view from my bedroom window.
