

It's now and never by Elvis Presley

It's now or,
come hold me tight
Kiss me my,
be mine
Tomorrow will be too,
it's now or never
My love won't
When I first saw you
with your so tender
My heart was captured,
my surrendered
I'd spend a lifetime
waiting for the right
Now that you're near
the time is here at
It's or never,
come hold me tight
Kiss me my,
be mine
Tomorrow will be too,
it's now or never
My love won't
Just like a willow,
we would cry an
If we lost true
and sweet devotion
Your excite me,
let your invite me
For who knows when
we'll meet again this way
It's now or,
come hold me tight
Kiss me my,
be mine
Tomorrow will be too,
it's now or never
My love won't
