

It's Not Safe!

The Garcia family is **planning** a surprise party for Ann's birthday. Mrs. Garcia will put up the . Emma will bake the , and Tommy will choose the . Mr. Garcia will pour the .

"Tommy, we're out of juice," says Mr. Garcia.
"Could you get some more?"

"Sure, Dad. No problem," says Tommy.

"Thanks," says Mr. Garcia.

"Can I go with you?" asks Emma. "I need eggs for the cupcakes."

"Sure, Emma," says Tommy.

Tommy and Emma walk **down** the street.
Emma is in a hurry.

"Let's walk across the **highway**," says.
"We'll get there faster!"

"It's not safe," says . "We should walk at the **crosswalk**."

Emma doesn't listen. She tries to walk across the , but the cars are going fast.

"Whoa! You're right, Tommy," she says. "It's not safe!"

Tommy and Emma use the crosswalk and go to the store. They buy eggs and juice, and then walk back home. When they get there, Mr. Garcia is waiting.

"What took you so long?" asks Mr. Garcia.

"We took the long way," says Emma, "but we were safe!"

A Year of Celebrations

People around the world like to **celebrate**. In each **season**, there are different celebrations. Every celebration has special **traditions**.

In the winter, people in China will celebrate the Lunar New Year. Families will clean their homes, put up decorations, and serve **delicious** food. **Children** will get a gift of money, called *hong bao*, from their parents.

Children's Day

In the spring, people in Japan will celebrate Children's Day. They'll put fish decorations, called *koinobori*, on their homes. Children will eat good food and play games.

In the summer, people in Brazil will celebrate Carnival. They'll watch singers and dancers in the **samba parade**. The music will be great!

In the fall, people in South Korea will celebrate *Chuseok*. Many people will return to their homes, eat rice cakes, and wear traditional clothes. Families will give thanks for their food.
