

The passive voice p. 66 SB

Проанализируй предложения активного и пассивного залогов на картинке. Обрати внимание на то, как образуется пассивный залог. Подумай, как меняется форма главного смыслового глагола в пассивном залоге.

Посмотри видеобзоры

Task 1. Complete with:

Впечатай в места пропусков глаголы:

was being (x2) has be (x3) is

**Письменно в тетради
полными предложениями!!!**

**Task 2. Turn the following sentences into passive voice.**

Перепиши данные предложения в пассивном залоге. Обрати внимание на выделенный глагол, подлежащее и дополнение. Преобразуй их в необходимую форму пассивного залога по таблице в задании Task 1.

ex. The President opened the country's first national park.

The country's first national park was opened by the President.

- 1 The local cinema was showing a documentary film about the snow leopard.
- 2 They rebuilt the new town hall last summer.
- 3 Millions of tourists visit Yellowstone National Park every year.
- 4 Tourists find black rhinos in some parts of Africa.
- 5 People have hunted whales for their meat and blubber for years.
- 6 The organisation will protect endangered species for many years to come.
- 7 They discovered a new animal in a forest last week.

Task 3. Translate

Переведи предложения в пассивном залоге на английский язык. Внеси изменения в форму глаголов и соблюдай правильный порядок слов.

1. Животные под угрозой исчезновения охраняются в заповедниках.
2. Программы по защите вымирающих животных спонсировались государством.
3. Вымирающим животным будет гарантировано проживание в заповеднике.
