Lesson N° 6

COMPARATIVES

1) Match the opposite adjectives. Uní con flechas los adjetivos opuestos.

2) Listen and mark the animals. Escuchá y marcá los animales.

3) Watch the video and pay attention. Miramos el video y prestamos atención.

Cool Grammar

Lion B is **older than** lion A.

Lions are **more dangerous than** cats.

4) Listen and circle the option. Escuchá el audio y marcá la opción correcta.

1. The snake in cage A / B is longer than the one in cage A / B.
2. The cat in cage A / B is more obedient than the catt in cage A / B.
3. The rhino in cage A / B is heavier that the rhino in cage A / B.
4. Turtle A / B is slower than the turtle A / B.
5. The hippo in cage A / B is bigger than the one in cage A / B.
6. Lion A / B is younger than lion A / B.

5) Compare the animals on exercise 2. Compará los animales del ejercicio 2 y usa los adjetivos entre paréntesis.

1. (short) The snake in cage B is **SHORTER** than the one in cage A.
2. (small) The hippo in cage ____ is _____ than the hippo in cage ____ .
3. (fast) The turtle in cage ____ is _____ than the turtle in cage ____.
4. (disobedient) The cat in cage ____ is _____ than the cat in cage ____.
5. (old) The lion in cage ____ is _____ than the lion in cage ____.
6. (light) The rhino in cage ____ is _____ than the rhino in cage ____.

6) Look at the coloured stars and make sentences comparing the animals. Escribí oraciones comparando estos animales. Guíate por la cantidad de estrellas coloreadas.

	A crocodile	An elephant
dangerous	4 green stars	3 red stars, 1 white star
tall	3 green stars, 1 white star	4 red stars
heavy	3 green stars, 1 white star	4 red stars
obedient	3 green stars, 1 white star	4 red stars

1. The crocodile is _____ than the elephant.
2. The elephant _____ than the crocodile.
3. The elephant _____ the crocodile.
4. The elephant _____.

7) Now choose animals from this lesson and create your own **SPACE ZOO**. Write sentences and explain why. Ahora elegí los animales para crear tu propio Zoologico Espacial. Escribí oraciones como las del ejemplo dando las razones de tu elección. **ESTE EJERCICIO LO HACEMOS EN WORD O EN LA CARPETA. LUEGO SUBIMOS ESTE EJERCICIO A MOODLE COMO EXPLICA EL TUTORIAL.**

EXAMPLE:

I want snake B because
it's shorter than snake A.

I want cat A because
it's more obedient than cat B.
