Mathématiques : Je calcule le périmètre d'une figure de base

Énoncé 1. Écris le calcul représenté et détermine le périmètre de chaque figure.

			
P = + + + P = 4 x P = unités	P = + + + P = 4 x P = unités	P = + + + P = 4 x P = unités	P = + + + P = 4 x P = unités

			
P = + + + P = (2 x) + (2 x) P = unités	P = + + + P = (2 x) + (2 x) P = unités	P = + + + P = (2 x) + (2 x) P = unités	P = + + + P = (2 x) + (2 x) P = unités

			
P = unités	P = unités	P = unités	P = unités
