Dear Sanzhar,

I was sorry to hear that you're feeling stressed about sitting your exams next week. I think I can help.

It would be a good idea to take short breaks when you feel tired. If you do this, it will help you clear your mind and improve your concentration.

Another idea is to exercise and eat healthily. This will boost your energy and help you feel calm.

I hope my advice helps. Write back and tell me how things are going.

Best wishes,

Miras
