D. Read the text below.**BANKING IN CANADA**

In Canada, a bank is a safe place to keep money. You can't lose your money when your money is in the bank. No one can steal your money when your money is in the bank.

First, you need to open a bank account.

You choose the bank. Banks have information in many languages. Some banks have customer service workers who speak your language. Many banks have special accounts for newcomers to Canada.

You choose the type of account you want—a chequing account, a savings account, or a combination account. Then you can put money in the bank.

You don't need to have a job to open a bank account. You don't need to put money in the account right away.

E. Read the sentences. Put T for True or F for False.

1. In Canada, your home is a safe place to keep your money. _____
2. First, you put money in the bank. Then you open a bank account. _____
3. You can't choose the bank. _____
4. Banks have information in many languages. _____
5. Many banks have special bank machines for newcomers to Canada. _____
6. You can choose the type of bank account you want. _____
7. You need a job to open a bank account. _____
8. You don't need to put money in the account right away. _____
