## Surfaces - On Time

So I'll be \_\_\_ time  
 Don't need a Rolex \_\_\_ my wrist  
 To know I've got your little hand \_\_\_ mine  
 And we can throw out all our issues  
 Watch the minutes cruise by  
 Who cares if it makes no sense  
 And we don't have to choose wisely, know  
 That I'll always be \_\_\_ time

Say the word and I promise I'll be right outside  
 Give me a minute and you'll see I'm not a regular guy  
 I got a tic that makes me always wanna roll the dice  
 If they say we won't make it tell 'em I ain't takin' advice  
 And I'll be over when we're older, waitin' \_\_\_ our door  
 I'll only leave you like the tide washes back to shore  
 I promise everything between, after, and before

So I'll be \_\_\_ time  
 Don't need a Rolex \_\_\_ my wrist  
 To know I've got your little hand \_\_\_ mine  
 And we can throw out all our issues  
 Watch the minutes cruise by  
 Who cares if it makes no sense  
 And we don't have to choose wisely, know  
 That I'll always be \_\_\_ time

Haven't checked my E.T.A., it's been a cool minute  
 But leave the light \_\_\_ for me, this is not a new visit  
 Used to pick you up from class \_\_\_ my blue civic  
 Didn't care what we were driving, long as you \_\_\_ it  
 And I'll be over when we're older, waitin' at your door  
 I'll only leave you like the tide washes back to shore  
 I promise everything between, after, and before  
 Yeah, yeah yeah

So I'll be \_\_\_ time  
 Don't need a Rolex \_\_\_ my wrist  
 To know I've got your little hand \_\_\_ mine  
 And we can throw out all our issues  
 Watch the minutes cruise by  
 Who cares if it makes no sense  
 And we don't have to choose wisely, know  
 That I'll always be \_\_\_ time
