## Jobs descriptions

(Primero, repasaremos las acciones que estamos estudiando en el tema).

### Write in English:

Trabajar: .....  
Llevar puesto:.....  
Diseñar:.....  
Conducir:.....  
Cultivar:.....

**PRESENT SIMPLE** (tiempo verbal que estamos practicando en el tema. Coincide con el mismo trabajado en la unidad 2, pero en ese caso con diferentes acciones/verbos).

## ✓ AFFIRMATIVE SENTENCES:

Recuerda: cuando escribimos una frase afirmativa, hablando de HE (él) o SHE (ella), se le añade al verbo una -S al final.

Por ejemplo:

work                      He works at night.  
Wear                      She wears a uniform.

### 1. Choose the correct answer:

- The farmer ..... vegetables and fruit.
- The singer ..... at night.
- The firefighter ..... a yellow uniform and a white helmet.
- The architect ..... houses and schools.

## X NEGATIVE SENTENCES:

Recuerda: para escribir frases negativas, necesitamos escribir DOESN'T antes del verbo. El verbo NO lleva -s final ya que ya la hemos escrito en DOESN'T.

Por ejemplo:

design                      He doesn't design flats.  
Grow                      She doesn't grow vegetables.

### 2. Choose the correct answer:

- The builder ..... shopping centres.
- The vet ..... at night.

## ? INTERROGATIVE SENTENCES:

Recuerda: para formular o escribir preguntas, necesitamos la palabra DOES. La frase tiene el mismo orden que en las oraciones afirmativas, pero ocurre lo siguiente:

Afirmativa: She works at night.

Interrogativa: Does she work at night?

En la frase interrogativa, el verbo o acción no lleva -S al final ya que la hemos escrito en DOES.
