I let it fall, my heart
And as it _____, you rose to claim it
It was dark and I was over
Until you kissed my lips and you _____ me
My hands, they were strong
But my knees were far too weak
To stand in your arms
Without falling to your feet
But there's a side to you
That I never_____, never knew
All the things you'd say
They were never true, never true
And the games you'd play
You _____ always win, always win
But I set fire to the rain
Watched it pour as I _____ your face
Well, it _____ while I cried
'Cause I heard it screaming out your name
Your name
When laying with you
I could stay there
Close my eyes, feel you here forever
You and me together, nothing is better
'Cause there's a side to you
That I never knew, never knew
All the things you'd say
They were never true, never true
And the games you'd play
You would always win, always win
But I set fire to the rain
_____ it pour as I touched your face
Well, it burned while I _____
'Cause I _____ it screaming out your name
Your name
I set fire to the rain
And I _____ us into the flames
When we fell, something died
'Cause I knew that that was the last time
The last time
Sometimes I wake up by the door
That heart you caught must be waiting for you
Even now when we're already over
I can't help myself from looking for you
I set fire to the rain
Watched it pour as I touch your face
Well, it burned while I cried
'Cause I heard it screaming out your name
Your name
I set fire to the rain
And I threw us into the flames
When we _____, something _____
'Cause I knew that that was the last time
The last time, oh
Oh, no
Let it burn, oh-oh-oh
Let it burn
Let it burn
