Justin Bieber - Get Used to Me

Subjected to my system

Reflecting on the days

When we _____ be just friends

Protected both our interest

Our trust was in a bank

That's where our hearts were safe

Jonas Brothers – Used To Be

Spending all your time with your new friends

And you take 'em all the places now that we been

But you _____ be the one I love

Yeah, you _____ be the one I love

Say you wanna talk, "How have you beens"

I'm the only one you know that'll listen

And you _____ be the one I love

Yeah, you used to be the one I love (used to be the one I)

Got So Used to Loving You - Bonnie Tyler

Hey, yeah, yeah

Waking in the early morning

Thinking of you softly

From the way my heart is hurting

You might as well have shot me

Shot me

Falling out of heaven's highway

Landing in the ocean

Drowning in a sea of heartache

I swear on my devotion

To you

I _____ loving you baby

_____ having you 'round me

I _____ loving you baby

And baby I can't let go

I _____ loving you baby

_____ touching you honey

_____ loving you baby

And baby I can't let go
