The students cleans the classroom

subject verb object

The classroom is cleaned by the students
subject object

A vibrant illustration of two Chinese New Year lion dance figures. The figure in the foreground is yellow with a large, expressive face, wearing a pink and purple patterned costume and blue shoes. It has a long, flowing yellow beard. Behind it is a red lion dance figure, also with a large face, wearing a red and orange patterned costume. Both figures are holding a large, purple, spherical lantern with a yellow tassel. The background is a bright yellow with stylized sunburst patterns.
