UNCOVERING ISRAEL

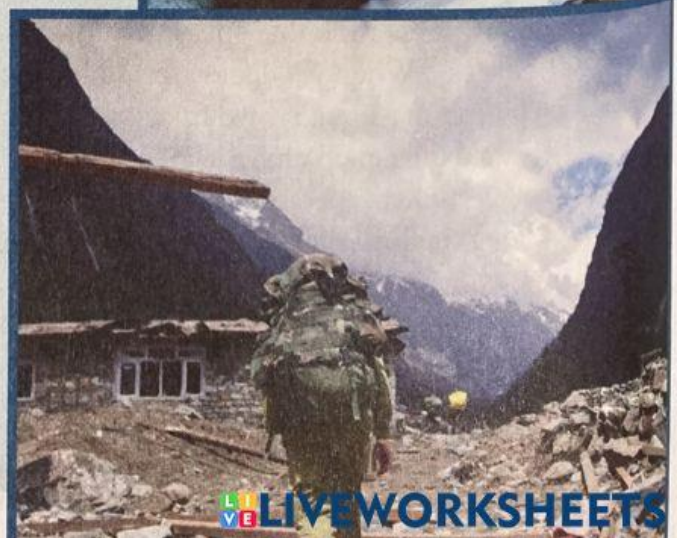

ISRAEL21c is a nonprofit organization ¹ **enabled** / **founded** in 2001.
Its ² **mission** / **destination** is to spread the word about the real Israel.

Israel may be a tiny country, but since it was ³ **established** / **renovated** in 1948, it has sent ⁴ **immigrants** / **aid** to 140 countries, helping the ⁵ **noble** / **local** population with everything from ⁶ **healthcare** / **departure** and personal ⁷ **hygiene** / **continuity** to ⁸ **agriculture** / **construction** projects, such as building ⁹ **agendas** / **shelters** in ¹⁰ **communities** / **consulates** where people have lost their homes. And yet, very few people know about it.

"My Name is Israel" is a ¹¹ **unique** / **fluent** online exhibition that aims to show the world the ¹² **compassionate** / **mute** face of Israel. It consists of 15 full-color slides and inspiring stories. We invite you to watch the exhibition and find out how:

- ¹³ **commanders** / **healthcare professionals** in the north of Israel have ¹⁴ **taken advantage of** / **treated** more than 1,200 Syrians wounded in the civil war.
- a 16-month-old Afghani child was brought to Israel, where doctors ¹⁵ **carried out** / **headed to** a lifesaving heart operation.
- United Hatzalah has been training ¹⁶ **embassies** / **volunteers** to reach people in a medical emergency within three minutes.
- Israel has provided ¹⁷ **funding** / **backpacking** to fight the spread of the Ebola virus in Africa.

You can help spread the word. Just share the slides online, or download, print and post them anywhere you want people to learn more about Israel.
