Three teenagers describe their hobbies

Melissa, runner

I started running about a year ago. At first, I just ran 1 or 2 kilometers, but I now do about 10. My speed is improving too. I've joined a running club in the town center. I didn't know any of the members before, but now most of them are my mates. My dad was a keen runner when he was younger – he was fit, but he stopped when he hurt his leg. Actually, I need to order some new running shoes – just a simple pair. I don't think the expensive ones make you run faster!

Sharon, skateboarder

I go skateboarding most evenings in the park. I suppose that's quite a lot, but the park is only a minute or two from our apartment, and I only stay there half an hour or so. Although I stay longer when my friends are there. Sometimes my cousin's there too. He's a beginner, and I'm teaching him a few moves. He's starting to get really good!

Latifa, rock climber

Two of my best friends suggested I should start rock climbing, so now the three of us do it together. The mother of one of them takes us once or twice a month, but I'd like to do it every week. When I started, I didn't know you need to get so much stuff – and it isn't exactly cheap! I really love it. I don't think I'll ever get bored of climbing!

**An amazing stay at the
Ocean View Hotel**

I'm usually sad to say goodbye to my cousins after visiting them in Australia. But last June I wasn't. We had to change planes in the Middle East on the way back and had to stay overnight. I just couldn't wait to get to our hotel.

The first thing I noticed in the hotel was all the glass. It was really bright, so I don't know why all the lights were on in the building! There was also loud rock music playing, which I loved (but my parents didn't)! There weren't many people waiting at the reception, so we were soon in our rooms.

The garden wasn't what I expected. 'Dad,' I said, 'you told me there was a pool!' He took my back into the reception area then up in the lift to the 39th floor and out onto the top of the building. 'Here it is', he said. It was amazing! Swimming under the clouds was awesome.

I've stayed in some great hotels around the world, but nothing as cool as that one! I saw photographs of it before I went, but they don't really show how large the building is. I couldn't believe it. Everything is huge – the building, the pool, the meals (which were delicious, too, by the way)! There's so much to do and see there. I hope we can go back again and stay for longer!

- A She hasn't visited many hotels in her life.
