

Sun bear's nest

Sun bear told her friends what had happened to her nest.

"Oh no, that's terrible!" said Proboscis monkey.

"You can't stay there. It's not a safe place for a little sun bear" said Pygmy elephant.

"But where will I go?" asked Sun bear.

"Somewhere far away from the machines" replied Pygmy elephant.

Just then, Sun bear remembered all of the strong trees she had seen near Mouse deer's house.

"I will go to the other side of the rainforest near Mouse deer's house. I will build a new nest high up in the strong trees," said Sun bear.

Sun bear went to the other side of the rain forest. Mouse deer helped her build a new nest. Sun bear was happy again.
