

Science Review

Food Chains and Looking after an Aquarium

Be sure to read pages 44-47 before doing this practice.

1. Drag and drop these pictures to form a food chain.
2. Say whether they are producers, herbivores, carnivores and omnivores.

3. How can we look after our aquarium? Choose yes or no.

- A. Clean the glass.
- B. Add plants for small fish to eat.
- C. Leave waste food in the water.
- D. Change the tank water often.
