## Watch out for germs Part : 1

Instructions:

1. **Read** the story.
2. **Fill** in the blanks.

"I hope you haven't caught  
a cold."

Mom felt Jake's head.

"Warm, but not a fever ..."

### 1) Mom felt Jake's Head.

His Head felt \_\_\_\_\_.

cold

warm

hot

Mom handed him a  
tissue.

"Please sneeze into this,  
if you have to. We don't  
want you to spread  
germs."

2) Mom handed Jake a

\_\_\_\_\_.

chair

book

tissue

"Germs?" Jake shook his head. "I only sneezed a big sneeze! No germs, only a sneeze!"

"Yes, but if you have a cold, you can spread a lot of germs with a sneeze."

### 3) What Did Jake Say?

**"I only sneezed a big \_\_\_\_\_!"**

sneeze

cough

yelp

"You can't see germs: they hide in sneezes, or coughs, or on dirty hands, and can spread illness."

Mom explained

"The proper word is bacteria, but we say germs, and cold germs can spread fast with a big sneeze like yours."

4) **What did mom say the proper word for germs is?**

**The proper word is \_\_\_\_\_.**

dirt

bacteria

bugs

Mom opened the kitchen cupboard and took out a bag of flour. Jake watched and wondered.

She put a spoonful of flour onto her hand. Holding it near to her face, she winked at Jake – and sneezed with a mighty sneeze!

5) **What did Mom do?**

**Mom opened the kitchen**

**\_\_\_\_\_and took out a**

**bag of \_\_\_\_\_.**

cupboard

flour

door

chips

6)
