Writing

8 **Read this email from Max about television programmes. Now write an email to your friend. Tell him/her about the TV programmes you like. Use Max's email to help you.**

Hi Paul
Do you watch television at home? What kind of programmes do you watch in your country? I have a television in my bedroom but I don't watch it often. I have a lot of homework so I don't usually watch television after school. My favourite programmes are documentaries because I love animals. I never watch the news because I get angry! And I never watch comedies or soaps because I think they're stupid. At the weekends I sometimes watch sports programmes because I like football.
