

# HOST

there's always tomorrow

I miss your touch some nights when I'm hollow  
I know you that I can't follow  
Since the love that you left is all that I get,  
I want you to know

is ecstasy x3

That if I can't be close to you,  
the ghost of you

I miss you more than life  
And if you can't be next to me,  
your memory  
I miss you more than life, I miss you more than life

Youngblood thinks x2

there's always tomorrow

I need more time, but  
I'd leave it all behind if I could follow  
Since the love that you left is all that I get, I want you to know

I'll settle for x3

time can't be borrowed

That if I can't be close to you,  
the ghost of you

I miss you more than life (Yeah)  
And if you can't be next to me,  
your memory (Oh)  
I miss you more than life, I miss you more than life

crossed a bridge

Woah-oh-oh-oh  
Na-na-na  
More than life

So if I can't be close to you,  
the ghost of you

I miss you more than life  
And if you can't be next to me,  
your memory  
I miss you more than life, I miss you more than life
