

PART 2: PRACTICE

Ex 1: Organizing ideas in a paragraph about schedule of a visit/tour.

Tim wrote a paragraph about the schedule of his one-day visit to Gatlinburg, the USA. Rearrange the sentences in correct order.

1. After that, I have lunch at a local food store.
2. At 10 o'clock, I leave for Gatlinburg Arts & Crafts Community.
3. Finally, I arrive at the bus stop at 4 pm and the bus leaves exactly at 4.10 pm.
4. Here, I can walk in the world's longest underwater aquarium tunnel and watch these sea creatures swimming around and overhead.
5. I plan to reach the first destination – Ripley's Aquarium early at 8 pm.
6. I spend two hours hear seeing the works of local artists and buy handicrafts.
7. I'm visiting Gatlinburg next Saturday and this is my schedule.
8. In the afternoon, I walk along the centre of the town to do some shopping and hear some live music.
9. This awesome aquarium is home to over 10.000 sea creatures including parks, penguins, and sea horses.
10. This helps me to avoid the crowd.

→ **Correct**
order:

--	--	--	--	--	--	--	--	--	--

Ex 2: Writing sentences in a paragraph describing the schedule of a visit.

Linda and Lucy are going to Hoi An this weekend. Help them to write their schedule for the visit by making sentences using the given words/ phrases and the PRESENT SIMPLE. Remember to add a full stop (.) at the end of each sentence.

1. This/ schedule/ our two-day visit/ Hoi An.

→ Click here to enter text.
