

## ĐỀ LUYỆN SỐ 23

Read the following passage and mark A, B, C or D to indicate the correct word or phrase

A well-known fast food chain recently published a full-page advertisement announcing that they were ... (1)... a new item to their menu – a 'Left-Handed Burger', created specifically for their left-handed customers. ... (2)... to the advertisement, the dimensions of the new burger were identical to those of the original burger, as were the ingredients. The difference was that the ingredients had been rotated by 180 degrees to ... (3)... left-handed people to handle the burger without difficulty.

The following day, April 2nd, the fast food store confessed that the story had been ... (4)... as an April Fool's trick and the left-handed burger didn't exist. Nevertheless, restaurants reported that they had been visited by several thousand customers requesting the new burger. Simultaneously, there were many other concerned customers who insist that staff served them ... (5)... their own right-handed version. It just goes to show how readily people can be deceived, even on April Fool's Day.

- |                  |                 |              |                 |
