

Read the story below. Choose the correct answer for each question.

Phillip and Phil are best friends. They both have I-phones and love to watch the Phantom of the Opera. Phillip and Phil met Philomena who likes to write about dolphins and pheasants. So they would co-operate with each other since the boys take photos of what she writes about. In the end Phil, Philomena and Phillip would all come together to make a sphere that has small photos of dolphins, pheasants and their pictures to make a disco ball of them in happy times.
