

My future

Verse 1

*I can seem to focus
And you don't seems to notice I'm
not here
I'm just the mirror
You check your reflection
To finds your complexion's all alone
I have to go*

...

Verse 2

*I know supposed I'm alone now (lonely now)
Now I'm supposedly to be unhappy
With someone (someone)
But aren't I someone? (Aren't I someone? Yeah)
I'd like to be you're answer (be your answer)
Because you're so handsome*
