

Evan is excited about his birthday... Read his conversation with his two best friends

BESTFRIENDS

EVAN: Guys! I have an idea!

LUCAS: I know! You want to go out to that boring bar you always go...

EVAN: Hahaha, not this time! I'm going to rent a house for the weekend.

LUCAS: Oh, I'm in! What do we have to do?

ALAN: Great idea bro... You're turning 25! It has to be a great party...

EVAN: I need both of you to do some shopping and help me cooking. Can you give me a hand with the organization? There are so many things to do...

ALAN: I'm going to do the shopping to the supermarket tomorrow; so, I can help you with that. You know I can't cook, I'm so bad at it...

LUCAS: Hey! I'm going to cook. Burgers and fries, right? Are you going to send invitations to your family?

EVAN: No, I'm not. We are going to travel together in two weeks to celebrate together. So, it's just a party for friends... Call you later...

Reading comprehension. Now answer about the text:

1. What is Evan going to do to celebrate his birthday? He's going to...
