

Environmental and economical sustainability

Activity 1

Ahmed and Mariam are always trying to help the **environment**.

Complete the table below by choosing the more **environmentally friendly** option for Ahmed and Mariam to choose.

Do some research to help.

The first one has been done for you.

Walking	✓	Driving
Hand washing dishes		Using the dishwasher
Putting batteries in the bin		Recycling batteries
Turning lights off when not using		Leaving lights on when not using
Taking long showers		Taking short showers
