Hello everyone, my name's Jo. I am reading an interesting series of fantasy novels, *Harry Potter,* by the famous British author J. K. Rowling. In this series, Harry Potter, Hermione Granger and Ron Weasley are my most favorite characters. They study at Hogwarts – a magic school, and they use their magic to help their friends. All the teachers and students in the school have magic, too. They can fly to school, but they cannot use their magic outside school. One day, there is a war between Hogwarts' students and some dark magic teachers. Harry and his friends save everyone from danger. I learn a lot of good lessons about friendship from this book series. This is why I love it the most. I think you should read it too, and I hope you will share your favorite books with me. It will be great!
