

BACK TO DECEMBER

TAYLOR SWIFT

LISTEN AND CHOOSE THE CORRECT WORD(S)

I'm so glad you **made** / **took** time to see me
How's life? Tell me how's your family
I **haven't seen** / **didn't see** them in a while
You've been good, busier than ever
We small talk, work and **the weather** / **politics**
Your guard is up and I know why
Because the last time you **saw** / **have seen** me
Is still burned in the back of your mind
You **gave** / **have given** me roses and
I left them there to die

CHORUS

So this is me swallowing my pride standing in front of you
Saying I'm sorry for **tonight** / **that night**
And I'd go back to December all the time
It turns out **freedom** / **liberty** ain't nothing but missing you
Wishing I'd realized what I had when you were mine
I'd go back to December, turn **around** / **about** and make it all right
I'd go back to December all the time

These days, I **'m not** / **haven't been** sleeping
Staying up, playing back myself leaving
When your birthday passed and I **didn't call** / **haven't called**
And I think about summer, all the beautiful times
I **watched** / **have watched** you laughing from the passenger side and
Realized I loved you in the fall
And then the cold **is coming** / **came**, the dark days when fear crept into my mind
You gave me all your love and all I gave you was goodbye

CHORUS

I miss your tan skin, your sweet smile, so good to me, so right
And how you **held** / **have held** me in your arms that September night
The first time you ever have **seen** / **saw** me cry
Maybe this is wishful thinking
Probably mindless dreaming
If we loved again I swear I'd **love** / **will love** you right
