WHERE ARE YOU NOW

by Lost Frequencies ft. Callum Scott

You're just like my favorite song going 'round and 'round my head
Like my favorite song going 'round and 'round my head

Five _____ on the freeway
Riding shotgun with you (yeah, yeah)
Two _____ in the fast lane
We had big _____ in blue (yeah, yeah)

Playing Sweet Child O' Mine
And I still feel that _____
Where are you now?
Where are you now?

Hey, it's been too _____
Too long to go, my _____
Where did we go _____?
Too late to turn around
Where are you now?
Where are you now?
Hey, it's been too _____

You're just like my favorite song going 'round and 'round my head
Like my favorite song going 'round and 'round my head
You're just like my favorite song going 'round and 'round my head
Like my favorite song going 'round and 'round my head

Hey, it's been too _____

Some days I can _____ it
But the feeling ain't all _____
You got me believing
One day you gotta come through
Lost in these _____ lights
'Cause I can't sleep _____
Where are you now?
Where are you now?

Hey, it's been too _____
Too long to go, my _____
Where did we go _____?
Too late to turn around
Where are you now?
Where are you now?
Hey, it's been too _____

You're just like my favorite song going 'round and 'round my head
Like my favorite song going 'round and 'round my head
You're just like my favorite song going 'round and 'round my head
Like my favorite song going 'round and 'round my head

Where are you now? (x5)
