Red hair is rare!

What did Elizabeth I, Napoleon, Thomas Jefferson and Winston Churchill all have in common? Well, as well as being four of the most 1) leaders in world history, SUCCEED they were also all 'redheads'!

Throughout history, artists have always been fascinated by people with red hair. This is not surprising when you consider that red hair is the most 2) natural hair colour USUAL in humans. Only around 1% of the world's 3) is redhead. POPULATE

On the other hand, 4) in Britain, reddened people continue to be the victims of bullying. Redheaded schoolchildren are often called 5) names and even some reddened adults claim to have suffered from such name-calling in the workplace.

The general view of this in the UK is that joking about redheads is harmless fun, but not everyone agrees.

Some 6) people find it upsetting when they are teased about their hair.
