Read the text and underline the gestures from Activity 1.

In many parts of the world, adults say hello to each other with a handshake. In many places it is important to make eye contact when you are talking to someone. In Saudi Arabia, shaking the head from side to side means 'no' and it is rude to sit in front of someone with your legs crossed.

In Thailand, people greet each other with their palms together (fingers pointing up) and bowing their heads. In China, people say hello with a small nod and a bow.

Most English speakers nod to say 'yes', and shake their heads to say 'no'.

3 Talk

Which of the gestures in Activity 2 are true for your country?
