1. Create the glossary and translate the unknowing words.
   - - -
   - - -
   - - -
   - - -
   - - -
   - -
   -
2. Draw in this space the feeling that the book makes you feel most creatively.

3. Answer in groups the following questions:
   - What didn´t the grownups understand about his boa designs?
   - Why could he know what it was? Was he right?
   - What was the Little Prince excited about in the drawings he asked for?
   - What made it special to him? Was he right?
   - Have you created something that someone else doesn't understand?
   - What are times when something is special to you, or something you understand, but others don't?

4. Do you remember point number 2? take that draw and make it big to present it in front of the class. (Create a gallery in your group) and explain it in English.
