

ARRASTRA Y COLOCA LOS SÍMBOLOS DEL TIEMPO AL LUGAR ADECUADO.

The image shows a map of Spain with several weather-related elements. On the left, there is a vertical column of six weather icons: a sun, a sun behind a cloud, a cloud, a cloud with rain, a cloud with snow, and a cloud with a percentage sign. The map itself has several colored boxes with labels: a cyan box labeled 'Lluvia' (Rain) in the northwest, a purple box labeled 'Tormentas' (Storms) in the north-central region, a white box labeled 'Nieve' (Snow) in the northeast, a grey box labeled 'Nublado' (Cloudy) in the east, a yellow box labeled 'Sol y nubes' (Sun and clouds) in the center, and another yellow box labeled 'Soleado' (Sunny) in the south. A scale bar at the bottom right indicates 150 km and 100 mi. A small 'Mercator' projection label is also present.
