

✓ Day 3

 **Content/Big Ideas:** Putting together numbers 0-5
(Addition)

 **Explain:** When we put things together, it is called addition. Count how many objects are shown below.

The answer is called **sum**. The addition of small numbers can be done using your fingers too.

Examples:

Use your fingers to add numbers. Follow the illustration above and count how many numbers are there in all.

 **Concept-Based Assessment:** Count the objects, write the numbers and find the sum (1-5).
