

Perimeter of Squares

Using area model multiplication to find the perimeter of squares.

1	32cm  Perimeter = Side  =  x  =  	2 49cm  Perimeter = Side  =  x  =  
3	56cm  Perimeter = Side  =  x  =  	4 37cm  Perimeter = Side  =  x  =  

5 25cm  Perimeter = Side  =  x  =  	6 43cm  Perimeter = Side  =  x  =  
7 27cm  Perimeter = Side  =  x  =  	8 54cm  Perimeter = Side  =  x  =
