VI. Read the text about an unusual school then do the tasks. (4 pts)

Summerhill is a boarding school in south-east England. It's a school with a difference because the teachers don't make the rules - the students make them.

Breakfast is from 8.00 until 9.00 and lessons start at 9.30. Holly is a student here - she likes lessons. She is studying many subjects. Ivan is a student here, too. He isn't interested in lessons and he can play all day if he wants.

At 12.30 it's lunchtime, and the students and teachers eat together. There are three choices of meal: one with meat, a vegetarian option and a salad bar, too.

At 1.45 there's a class meeting. The students and teachers talk about problems and they can change school rules in this meeting. Then there are free-time activities: orchestra practice, drama group or sport.

Ivan goes shopping in town. Holly plays the violin with the orchestra. At 5.30 it's dinner time. After dinner students chat and do homework. Younger children go bed before 9.30, but older children can go to bed when they want.

So that's a day Summerhill. Do you think school is better when the students make the rules?
