

# DESIGN PROCESS

|                                                                    |                                                     |
|--------------------------------------------------------------------|-----------------------------------------------------|
| <p><b>1</b></p> <p>Think about a problem.</p>                      | <hr/> <hr/> <hr/> <hr/> <hr/> <hr/>                 |
| <p><b>2</b></p> <p>Think about the solution (2 or more ideas).</p> | <hr/> <hr/> <hr/> <hr/> <hr/> <hr/>                 |
| <p><b>3</b></p> <p>Plan and draw.</p>                              | <p><b>Attach your drawing in another sheet.</b></p> |
| <p><b>4</b></p> <p>Choose materials.</p>                           | <hr/> <hr/> <hr/> <hr/> <hr/> <hr/>                 |
| <p><b>5</b></p> <p>Make and test (your invention must work)</p>    | <hr/> <hr/> <hr/> <hr/> <hr/> <hr/>                 |
| <p><b>6</b></p> <p>Record and share (what can you improve on)</p>  | <hr/> <hr/> <hr/> <hr/> <hr/> <hr/>                 |
