

Listen to the song and choose the correct alternative.

It Might Be You (Stephan Bishop)

Time, I've been passing (life / time)
watching trains go (by / fly)
All of my (life / time)
Lying on the sand, watching seabirds (by / fly)
Wishing there would (be / me)
Someone waiting home for (be / me)

Chorus:

Something's telling me it might be you
It's telling me it might be you

All of my life
Looking back as lovers go walking (last / past)
All of my life
Wondering how they met
and what makes it (last / past)
If I found the (place / face),
Would I recognize the (place / face)?

Something's telling me it might be you
Yeah, it's telling me it might be you

So many quiet walks to (take / make)
So many dreams to (take / wake)
And we've so much love to (take / make)
I think we're gonna need some time
Maybe all we need is time
And it's telling me it might be you
All of my life

I've been saving love songs and lullabies
And there's so much (before / more)
No one's ever heard (before / more)

Something's telling me it might be you
Yeah, it's telling me it must be you
And I'm feeling it'll just be you
All of my life
It's you
It's you
I've been waiting for all of my life

Maybe it's you
Maybe it's you
I've been waiting for all of my life
Maybe it's you
Maybe it's you
I've been waiting for all of my life
