

**SUCH A SIMPLE THING**  
**Ray LaMontagne**

Tell me what you're feeling  
I can take the \_\_\_\_\_  
Tell me that you mean it  
That you won't leave \_\_\_\_\_

CHORUS

Tell me what your \_\_\_\_\_ wants  
Such a simple \_\_\_\_\_  
My heart is like \_\_\_\_\_  
Yours is like a flame

I can't make you \_\_\_\_\_  
If you don't by now  
I'll get through these chains  
Somehow, somehow

\_\_\_\_\_ it if you want it  
I'm so tired I just don't care  
Can't you see \_\_\_\_\_ you hurt me?  
It's like I wasn't there

CHORUS

Tell me what your \_\_\_\_\_ wants  
Such a simple \_\_\_\_\_  
My heart is like \_\_\_\_\_  
Yours is like a flame  
My heart is like \_\_\_\_\_  
Yours is like a flame

I can't make you \_\_\_\_\_  
If you don't by now  
I'll get through these chains  
Somehow, somehow

CHORUS
